Dear FDA,

Reference Docket numbers 98N-1230, 96P-0418 & 97P-0197.

I think it is crucial that the FDA prohibit the practice of forced molting in the US egg industry. This is an exceptionally cruel practice that harms both humans and chickens. The FDA was petitioned in April 1998 to ban forced molting and this petition should be granted immediately.

Thank you,

Jim Dunn

96P-0418
